**MOTION FOR RECONSIDERATION  
WITH AMENDED PROOF OF  
SERVICE**

23 The Charging Party welcomes the Board's effort to move further into the 21<sup>st</sup> Century and  
24 to make its decisions more available to workers who are affected by the misconduct of such  
25 employers as Durham School (dis)Services.

26 We suggest, however, that the remedy needs to be modified in two respects.

27 First, the Board as a result of this decision will now provide a phone number where the  
28 workers can request a copy of the decision. That number should be toll-free. There should be no  
price paid upon the ability of workers to learn about their employer's misconduct. The Board  
already has a toll-free number which is 1-866-677-NLRB. It may be a number presently used by  
the Inspector General, but we assume there are very few calls to the Inspector General's office. It  
would be easy enough for the Board to find another toll-free number for the IG.

1 Second, the Respondent, in this case Durham School (dis)Services, should make a full  
2 copy of the Board's decision available to workers who request for it. The notice should also state  
3 that a copy of the Board's decision is available from the Respondent upon request.

4 These two modifications of the Board's decision will advance the transparency and further  
5 allow employees to learn what was unlawful about the Respondent's conduct and the remedy  
6 directed by the Board.
